

# ROAD'S END RUM NAVY STRENGTH

The "Navy Strength" version of our organic Road's End Rum is aged in our own ex-Featherbone Bourbon barrels and bottled at 114 proof.

Made with blackstrap molasses in a distinctive style reminiscent of pot-distilled Jamaican rums, the barrel-aged version of our organic Road's End Rum is sure to appeal to lovers of both rum and whiskey. Its smoky flavors are equally at home in a classic whiskey cocktail, neat, or on the rocks.
