

SILVER CROSS™ FOUR GRAIN

Silver Cross four-grain whiskey is an example of artisan distillation at its finest. You'll taste each grain evolving on your palate with every sip. Aged in small casks, Silver Cross blends the sweet caramel essence of bourbon, the spicy red fruit and pepper of rye, the rich, earthy notes of single malt, and the silky smooth finish of wheat whiskey in each bottle. It's a combination sure to satisfy fans of whiskey—and golf.
