

A JOURNEYMAN TAKES THE ROAD LESS TRAVELED

CORSETS, WHIPS AND WHISKEY

The single-grain, cask strength version of Buggy Whip Wheat takes its name from the products made at the historic Featherbone factory where Corsets, Whips, and Whiskey is distilled, bottled, sold, and served. Offering a soft, sweet, smoothness reminiscent of an Irish whiskey, this award-winning whiskey showcases the terroir of 100% local organic wheat.
