

# KISSING COUSINS™

**BATCH #10 - RELEASE DATE MAY 27, 2022**

This limited small batch spirit has all the character of our Featherbone Bourbon, with deep earthy notes from an extra 3 month finish in wine barrels. This unique limited batch was created with the help of our friends down the road in Baroda, MI, at Dablon Winery whom provided us with Cabernet Sauvignon and Pinot Gris barrels. Fittingly named Kissing Cousins because of the close proximity to the winery, this special release is truly a treat.

Autumnal Maple in color, new leather and pressed flowers on the nose. There is a rich sweetness up front, reminiscent of toasted marshmallow and freshly hewn oak, followed by pipe smoke and cherry cola, ending with an abrupt dry and nutty finish.

**45% ABV | 90 PROOF**
