AMERICAN HOLIDAY BOURBON CREAM

We are one of very few certified organic and kosher distilleries in the United States, producing organic spirits from grain to glass—with no synthetic fertilizers, artificial pesticides, herbicides, antibiotics, growth hormones, or genetically-modified organisms.

Staymaker at Journeyman Distillery serves alcohol under a Federal and State Distilling license. We are not a brewery or winery, nor do we have a "three way license." We are not permitted to offer beer or wine and are limited as to spirits we may offer.
