WELCOME TO THE

# ARTISAN MARKET

---

SPRING 2023

Over 75 curated vendors have filled the historic Featherbone Factory's event spaces for this two-day event. These makers bring creativity into our space and foster growth within our community. We couldn't be more excited to showcase their passions and value their pursuit of mastery and ingenuity.

The Artisan Market lends the unique opportunity for one-on-one interactions with craft producers. Everything from beauty products, handmade jewelry, gourmet foods, wearable art, and more is available to take home today.

Sip a cocktail as you explore the market and enjoy the work of these great makers!

Warm Regards,  
Bill and Johanna Welter
