# O.C.G. OLD COUNTRY GOODNESS

A sweet and versatile spirit, Old Country Goodness is made from locally grown apples and grain with no added sugar and no artificial colors or flavors. Equally at home at a party or the kitchen, O.C.G. is a pantry staple and perfect gift.

Our secret family recipe, Old Country Goodness is made from all natural Michigan apples, our W.R. White Whiskey, and a proprietary blend of spices. Delicious hot, cold, straight, or mixed, this apple orchard in a bottle can be enjoyed year-round.
