# SNAGGLE TOOTH COFFEE LIQUEUR

Un-aged Featherbone Bourbon with Peruvian Coffee Beans. Snaggle Tooth Coffee Liqueur is an enticing organic coffee liqueur using our un-aged Featherbone Bourbon as the base spirit. We then add vanilla extract, cinnamon sticks, and organic cane syrup. The combination is then soaked for four-days with Needmore Coffee Roasters coffee beans.

The face behind Snaggle Tooth Coffee Liqueur is Ruby, a Brussels Griffon Terrier with a lot of personality and a Snaggle Tooth to match.
