- LEMONADE - 5

JOURNEYMAN

FROM CORSETS AND BUGGY WHIPS TO WHISKEY, SPIRITS AND GREAT FOOD JOURNEYMAN DISTILLERY IS SITUATED IN THE HISTORIC FEATHERBONE FACTORY, BUILT BY E.K. WARREN IN 1883. ORIGINALLY, THE FACTORY PRODUCED BUGGY WHIPS AND CORSETS AT THE END OF THE 19TH CENTURY. E.K. WARREN REVOLUTIONIZED CORSET MANUFACTURING BY USING TURKEY FEATHER BONES, RATHER THAN THE STIFFER WHALEBONE COMMONLY USED AT THE TIME. HIS SUCCESS PUT THREE OAKS ON THE MAP! THE FACTORY HAS BEEN RESTORED, PRESERVING MANY ORIGINAL FEATURES TO UPHOLD ITS UNIQUE HISTORY.

ETHYL

THE NAME OF OUR SHINY COPPER STILL IS ETHYL. A STILL IS A MACHINE THAT HELPS US CREATE OUR JOURNEYMAN SPIRITS. WE USE GRAINS SUCH AS CORN, BARLEY, WHEAT, AND RYE TO MAKE ALCOHOL THROUGH A PROCESS CALLED FERMENTATION. AFTER THE ALCOHOL IS MADE IN THE STILL, IT IS STORED IN OAK BARRELS FOR AGING AND LATER BOTTLING.
