AMERICAN-MADE. UNION-BUILT. MIDWEST PROUD.

Join us as we pay tribute to the history of this American Factory Building; the people that gathered here over the past 150+ years working to make a living, feed a family, and find pride and inspiration in daily work, all in pursuit of the American Dream.

As you look around this factory, know that this place's history is worth preserving and that it was done with the ingenuity of Northwest Indiana union workers with American-made products. The bar is made from American white oak representing the charred whiskey barrel. The light fixtures represent the spark of a weld. The menu includes Journeyman-made spirits, Sea of Monsters beer and food representative of our Midwest culture. As you gather and enjoy your food and drink, remember those that preceded us at the American Factory.

Inspired by explorers past - those who set course for uncharted waters braving real and mythic terrors of the sea - Sea of Monsters asks beer drinkers to take a journey within themselves to acknowledge that we all have demons, real and perceived, trivial and legendary. We celebrate all those brave enough to face fears head on and emerge victorious. Face your fears.
